Bui Quang Phu

Junior Fullstack Developer

📞 0343 322 824   ✉ buiquangphu.work@gmail.com   ⬡ https://github.com/PhuBuii

I'm a Fullstack Web Developer with 1.5+ years of experience, specializing in Frontend development. I've built various web applications for clients from landing pages to CRM/ERP systems and AI-integrated web apps. With strong adaptability and a fast-learning mindset, I'm eager to contribute and grow in a challenging, real-world environment.

Education

10/2020 - 06/2024	**University of Information Technology (UIT) - VNU**
	Computer Science
	GPA: 8.65/10
